Library Services at Coastal Pines Technical College is here to help you work and learn. We have learning tools and resources especially designed for students enrolled in the Move On When Ready dual-credit program.

Explore the resources we've put together for you and see what works best. Get to know our librarians and library staff, and ask questions. Make an appointment with a librarian for reference help, or take advantage of our 24/7 live chat service.

Library Services is committed to supporting your academic, cultural and lifelong learning needs.
