Dual Enrollment LibGuide: libguides.coastalpin.es.edu/moveon

We're here to help.

College is a time for exploration, for figuring out how you work and learn, and who you want to become.

Library Services at Coastal Pines Technical College is here to help. We have learning tools and resources for high school students taking college courses in our **Dual Enrollment** program (formerly Move On When Ready).

Explore the resources we've put together for you. Get to know our librarians and library staff, and ask questions. Make an appointment with a librarian for reference help, or take advantage of our 24/7 live chat service.

Library Services is committed to supporting your academic, cultural and lifelong learning needs.

Research Tools

LibGuides are webpages created by librarians. Each guide has links to books, articles, and websites on specific topics.

Search Tips

GALILEO databases have articles, photos, videos, eBooks and more. Watch the GALILEO YouTube channel for helpful tips.

Books & eBooks

Can't find a book? There's more to our collection than what you see on the shelves. Ask a librarian for details.

Find us online: libguides.coastalpin.es.edu/libraryservices

Library Resources

Find Library Services under “Services” on the CPTC website at <http://www.coastalpines.edu>. The direct link is <http://libguides.coastalpines.edu/libraryservices>.

Online Library Catalog

The Online Library Catalog lets users search the CPTC collection. Find a link to the catalog on the Library Services page or go to <http://coastalpines.worldcat.org>.

Discover GALILEO

Print copies of journals and newspapers are available in our libraries. Titles vary by site. Thousands of digital publications are in GALILEO’s databases, along with images, eBooks, and more. Find the link on our webpage or go to <http://www.galileo.usg.edu/scholar/coastalpinetech/search/>.

Borrowing Policies

Books may be borrowed for 2 weeks, and DVDs for 3 days. Check out up to 5 items at a time. Your CPTC ID is required. We have borrowing agreements with other institutions. Ask a librarian for help finding the resources you need.

**GALILEO
Password**

The GALILEO password is for off-campus access. Check your CPTC email for the password; ask for it in person at the library; or, send an email to library@coastalpines.edu using your CPTC email account.

Students receive 150 free pages per semester for printing.

Tutoring Services

<http://libguides.coastalpines.edu/libraryservices/tutoring>
Math and English tutoring is available to CPTC students. Tutors often meet in our libraries. Check the schedule on the library webpage to find a time convenient for you.

Smarthinking

<http://services.smarthinking.com/login/login.php?>
Smarthinking is a live online tutoring service that is free to CPTC students. Log on to learn more about how this service can help you.
