

EOC TUTORING Program

Dates: June 4 through June 28

Students will be tutored Monday through Thursday from 8 a.m. to 12 p.m. in the High School building from Jun 4 till June 21. Students need to report to the High School on June 4th to receive classroom locations. Students who participate in the tutoring program for a failed EOC will be allowed to retake the EOC during the last of June (6/25-6/28). Passing scores on the EOC are a CCHS Graduation Requirement. Students who participate in the remediation program have a greater chance to improve their EOC score. Passing the EOC will also increase their final average for course. If the class grade is between a 60 to a 69 before the tutoring program, student will also receive credit for that class.
