DRIVER'S EDUCATION

Learning to drive is a major milestone in a teenager's life! Joshua's Law requires the completion of a driver education course. **Coastal Pines is an authorized provider in the Georgia Driver's Education Grant Scholarship Program sponsored by the Georgia Driver's Education Commission.** Under the guidelines of Joshua's Law, Coastal Pines offers the 30/6 option. This means that students receive a minimum of 30 hours of classroom instruction prior to six hours of hands on, behind the wheel instruction time.
