International Trends and Services - LIFE Scholarship Application

The Brunswick (GA) Chapter of the Links, Incorporated International Trends and Services (ITS) Facet LIFE Program is designed to expose minority students to career possibilities in foreign affairs and international business. We encourage the enrollment and graduation of minority students from an accredited college/university or post-secondary school. To assist in this endeavor the chapter will award scholarships to graduating seniors within our service area who has participated in our LIFE Program Classes or Forum. The recipient of this scholarship should demonstrate a desire to attend college, participate in the chapter sponsored LIFE Program or community service and have need of support to complete the college readiness process by participation in the chapter sponsored LIFE Mentoring sessions. If selected, payment will be sent to the college or postsecondary school which the recipient plans to attend.

Applications must be postmarked by April 1, 2024 and mailed to the following address: The Brunswick (GA) Chapter of The Links, Incorporated, Attn: ITS Scholarship Committee, P. O. Box 2451, Brunswick, GA 31520.
