

Rotary Club of Camden County Student Service Scholarship

The Rotary Club of Camden County will give one (1) \$1,000.00 scholarship to a graduating Senior at Camden County High School. Rotary International's motto is "Service Above Self"; therefore, the main criteria for this scholarship is the student's community service over the last two years.

Students must submit a typed, comprehensive and specific essay that completely describes their community service over the past two years. The essay must address the following:

1. A description of the service, its recipients, and why it was needed
2. The results of the service and any long-term impacts on the recipients or the student
3. Estimates of the hours spent in planning and carrying out the service
4. The names and contact information of persons who could be contacted for verification and additional information about the service.

In addition to the essay, please submit a letter or other proof of acceptance by a college, university, or technical school.

All applications must be postmarked by May 1st, 2024. Applications will be evaluated by a panel of members of the Rotary Club of Camden County. Attach the above documents to this cover sheet and mail to:
