Mentor Bead Activity

MENTOR ACTIVITY - Distribute cards/beads and allow students to write a message.

- Ask students to think about the one adult at Camden High who is their best 'go to' person for advice, sharing information, mentoring, etc. This can be a teacher, administrator, counselor, custodian, cafeteria worker, coach, bus driver, media specialist, clerk or para professional, but it must be an adult.
- Distribute Thank You notes and direct students to write to that adult, thanking them for the help or support they have provided. Make sure they address the letter to the person they are thanking, in case they lose their note!
- Allow 2-3 minutes to allow students to write the thank you note
- Distribute ONE strand of beads per student as they complete the thank you note.
- Direct students to LOCATE and DELIVER the beaded strand to their CCHS trusted adult, along with the thank you note.
- Release students at the bell and tell them minutes are extended. Advisory will be cut short so that students will have 13 minutes between classes). They are to deliver their bead and Thank You card to their "trusted adult" and go to their second block class.

- Advisors PLEASE keep one strand of beads for yourself – You are appreciated beyond measure! ☺
